Why Choose us?

Quality Product
We ensure all equipment & machinery supplied by us are best in its class in terms of quality, performance, reliability & safety.

After Sale Service
We have our ever improving after sales service which provides service at your site or at our workshop.

Service Team
We have well trained team of technician & Supervisor in Mechanical, Hydraulic, Electrical, Electronics, Mechatronics.

Spare Parts
We stock spare parts and consumables to eliminate or reduce your machine downtime.

Onsite Service
We provide Onsite Training & Services Facility.

Training Facility
We strongly believe in training our customers in the right way of using and maintaining their machineries.
Why Choose us?

Response Time
We are equipped with on-site service vehicles to reduce our response time and ensure minimum machine downtime.

Warehouse
We have a full-fledged warehouse allowing our customers to get quicker delivery.

Warranty Support
We offer warranty in line with the manufacturer's terms and condition, ensuring warranty claims are settled at the earliest.
